## Pipers to Meet Alpine At Andrews Friday

### NEWS AND VIEWS

#### And What Have You

By BOB CRAIG

Don't know about the rest of you, but I am having a hard time worrying about the energy crisis, Santa's coming Saturday, or anything else right now that the Pipers are playing in the state playoffs.

Last week had to be one of the longest weeks I ever spent, I was ready to play on Thursday, sure was ready by Friday and thought that Saturday night would never get here.

But that 35-0 victory over Lubbock Roosevelt was well worth waiting for, even if that first half was a little shaky. At least, this week we are playing on Friday night so that will be one less day to have to wait.

Just wish we were playing in Abilene again this week so that we could have another crowd like the one Saturday night. That was probably as good a crowd as I have seen at a Class AA playoff game.

From talk around town Monday it would appear that Hamlin is going to be well represented in Andrews and hopefully some of the football fans out in that area will be on hand. While there is not much hope for another crowd like Saturday, there should still be a good gate.

Let's all go to Andrews Friday night and help the Pipers chalk up one more big win on their way to the State Championship.

Received the following newsletter from the Texas Good Roads Association on "The Cost of Saving Gasoline." Since the president has asked Congress for the power to lower the speed limit to 50 nation-wide some of the information contained in the newsletter may be out of date—that is if Congress grants his request.

But you might still be interested in some of the problems of changing the speed limit.

"Changing the speed limit on 70,000 miles of highways is not a matter to be approached lightly.

"It starts simple-like: The President makes a tv speech and says drivers should slow down to 50 miles an hour and save scarce gasoline. Maybe you think it's a splendid idea.

"But it takes more than that. In

**DRAW A HUGE CROWD**—An unidentifiable Roosevelt running back draws a huge crowd of Pipers as he tries unsuccessfully to get outside on the Hamlin defensive unit. Making the tackle is Bill Cork (20). Among the Pipers coming up to help are Danny Hix (80), David Willis (84), John Hudson (72) and Ray Scifres (74). ## Santa to Arrive Here Saturday

Santa Claus will make his first appearance for the Yule Season here Saturday afternoon at 2 p.m. He will arrive in town by fire truck and will pass out candy and visit with the area children in downtown Hamlin.

His trip to Hamlin is being sponsored by the Retail Trade Committee of the BCD.

His appearance Saturday will mark the opening of the "Wonderful World of Christmas" being sponsored again this year by the local merchants.

The Christmas lights were installed downtown this week but it was not known whether they would be turned on or not. If they are turned on it would be for only a limited time because of the nationwide energy shortage.

Merchants who will be participating in the "Wonderful World of Christmas" program this year will start giving away drawing tickets this Saturday.

The tickets will be good for the first drawing which will be held Thursday, Dec. 6, at 4 p.m. Additional drawings will be held on Thursday, Dec. 13, and Thursday, Dec. 20.

Hamlin merchants have indicated that they plan to stay open each of these Thursday evenings until 8 p.m.

Four or more drawings will be held each week with the winners receiving gift certificates good at any of the participating merchants. The first week's drawing will be good for \$175 in gift certificates.

Each week the participating merchants will give away new tickets with the tickets good for only that week's drawings. No purchase is necessary and extra tickets will be available at the drawing. No one individual will be permitted to win more than one prize each week.

Tickets will be given only to those 18 and over or those married. Signs will be placed in

the windows of those merchants taking part in the program.

Merchants taking part in the program are: Arrow Service and Supply, Franks' Department Store, Whites Auto Store, Harbert Furniture, Frank's TV, Lone Star Gas Co., West Texas Utilities Co., Hamlin Herald, Bryant Insurance Agency, Winn's, Howard Drug, Farmers and Merchants National Bank, Hamlin Flower Shop, Lady Bug, Mar-Jo's Antiques, Turner Insurance Agency.

Wagoner Drug, Reynold's Drug, Heidenheimer's, Rockwell Bros. Lumber Co., Carlton Implement, H. O. Cassle and Son, Cunningham Insurance Agency, Bill Sauls Gulf Station, Albritton Motor Company, Blue Bonnett Cafe, Witt Jewelry, City Food Market, Pied Piper Grocery, Thrif-Tee Food Market, Piggly Wiggly, Joe Hudspeth's, Knabells and Cloud's Carpet.

The Pied Pipers won a resounding victory over the Lubbock Roosevelt Eagles, 35-0, Saturday night to advance to the second round of the Class AA State Playoffs. The Pipers will meet the Alpine Bucks for the Regional Championship Friday night in Andrews. Kickoff is set for 7:30.

The Bucks took an easy 43-7 win over the Reagan County Owls last Friday to advance into the second round. The Bucks were ranked seventh in the state while the Owls were ranked fourth.

The Bucks will go into the Regional playoff game with a 9-2 record, while the Pipers own a 11-0 record. Alpine's only losses came in non-conference play and were to Reagan County, 14-13, and to Fort Stockton, 14-6.

Alpine defeated Kermit, 23-15; McCamey, 14-7; Pecos, 16-14; Van Horn, 42-7; Canutillo, 74-0; Sacorro, 67-8; Marfa, 56-0 and Fabens, 65-7. In their 11 games the Bucks have scored 419 points giving up only 93. This compares with the Pipers' 439 to 83 points production for the season.

Coach David Bonds told the Booster Club here Monday night that all of the Pipers, with the possible exception of Larry Mayes, should be in good shape for the Friday night contest.

Scouting reports show the Bucks to be a rather small team, but one of the quickest seen by the Hamlin scouts. The Bucks operate from the tandem or power "I" formation and like to play ball control, but with

DAVID GIDDINGS  
... new minister

### David Giddings Assumes Duties As Minister

David Giddings, new minister of the Hamlin Church of Christ, assumed his duties here Nov. 18. He and his wife, Sue, and two children, Jennifer Lyn, 2, and Douglas Boone, 9 months, moved here from Palmyra, Mo.

Mr. Giddings succeeds W. H. (Gene) Johnston who moved to Colorado City.

The new minister and his wife are native Texans. He grew up in Fort Worth and she was raised in Gustine. He attended Fort Worth Christian College and received a B.A. degree in history from the University of Texas at Arlington. Mrs. Giddings also attended UTA. He will enroll in graduate school at Abilene Christian College on a 90-hour Biblical studies program.

Mr. Giddings has preached for the Church of Christ in Redonc while in college. He served as the associate minister for the Travis Street congregation in Sherman from Sept. 1, 1968, until Mar. 1, 1970, when he and his wife moved to Palmyra where he served the congregation as their first minister.

### Absentee Voting Now Underway

Absentee voting in the election for creation of a hospital district for Hamlin and the issuance of bonds opened here Wednesday.

Mrs. C. L. White at Hamlin City Hall is absentee clerk.

The election will be held Tuesday, Dec. 18, at the City Hall. Voters will be voting for or against two propositions: first, the creation of Hamlin Hospital District, providing for the levy of a tax not to exceed 75 cents on each \$100 valuation upon all taxable property situated in said district subject to hospital district taxation; and second, the issuance of \$500,000 bonds.

### Volunteer Fire Department Seeking Toys

The Hamlin Volunteer Fire Department is seeking used, repairable toys for Christmas again this year, according to C. L. White.

Bicycles and tricycles are especially needed along with other toys that the firemen can repair.

Toys may be left in the rear of the fire station or will be picked up by any member of the fire department.

## Pipers Break Bi-District Jinx, Down Roosevelt Eagles, 35-0

Playing before some 6,000 fans in P. E. Shotwell Stadium in Abilene Saturday evening, the Pied Pipers broke a three-game jinx and brought home the Bi-District Championship trophy with a 35-0 victory over the Lubbock Roosevelt Eagles.

It was the fourth trip into the playoffs for a Hamlin team, but the first Bi-District Championship. The Pipers were unsuccessful in the playoff attempts in 1940, 1961, and 1972.

While the Pipers showed some more of their offensive explosiveness that has characterized their team this season, it was the defensive unit

that really made the difference in the ball game. The defensive unit made two great goal line stands, forced three fumbles that set up touchdowns and intercepted an Eagle pass for another score.

The Pipers moved 87 yards in five plays to score on their first possession of the football, but then spent the rest of the first half fighting off Eagle scoring threats. But the second half was all Hamlin as the Pipers held the Eagles to three first downs in the final half, one in the third and two in the fourth.

Scoring three of the Piper's five touchdowns, Johnny Jones

was the leading rusher for the evening with 18 carries for 139 yards, one more than the total rushing yardage for the Eagles. His running mate, Albert McAfee, from his fullback

position, had 14 carries for 75 yards.

Lee Anderson was top ground gainer for the Eagles with 67 yards in 11 carries, while John Blackwell was being held to 46 yards in 15 carries. The Eagles' full back, Kenneth Bobo was held to 12 yards in 10 carries.

Roosevelt won the toss and received the opening Kickoff. Operating from their 20, they drove to the Hamlin 45 in eight plays before punting. Jones fumbled the punt and Steve Cook recovered it for the Eagles to give them a first down on the Hamlin 18-yard line.

Bobo tried the middle of the

Piper line, but was stopped for no gain. Blackwell was able to pick up only two yards on second down and on third down a hard tackle by defensive halfback Ronnie Maberry knocked the ball loose from the intended receiver as Chris Marshall took to the air. Gilbert Brown was stopped for a three-yard gain on fourth down and the Pipers took over on the 13.

McAfee ripped off nine yards and then Jones picked up the first down on a seven-yard carry to the 29. Jones picked up seven more yards and then McAfee gained the first down on a 10-yard carry to the 46. Jones

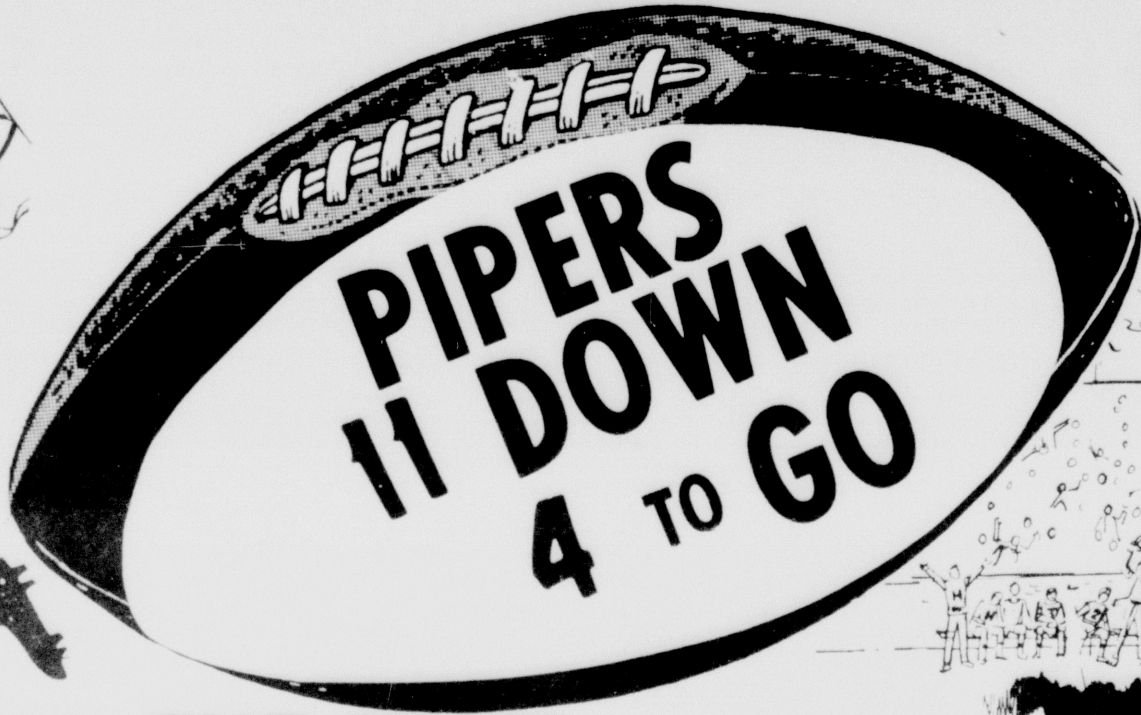

broke through a big hole in the line over his right tackle, broke loose from a would be tackler, and raced 54 yards for the score. McKissack kicked the point after with 3:57 left in the first period.

Returning the kickoff back to the Roosevelt 45, the Eagles moved into Piper territory on a 15-yard penalty against the Pipers. In three plays the Eagles gained eight yards, but on a fourth and two situation the Piper defense dropped Blackwell for a four-yard loss.

Moving from their own 36, the Pipers moved to the Eagle 44

# FROM THE FILES . . .

FIFTY YEARS AGO  
(December 7, 1923)  
The Hamlin Parent-Teacher Association will meet for business and a program, Monday evening, Dec. 10, at 7:30 p.m. A cordial invitation is extended to all to be present.

The Shrine Club of Hamlin honored the Hamlin High School Football boys, with a banquet Thanksgiving evening at the Morgan Hotel. This entertainment was given in appreciation of the high record the Pied Pipers have made this season. The banquet was a success in every way. This entertainment marks a new day for the Hamlin athletics. The boys now realize that the citizens of the town are backing them as long as they show clean sportsmanship on the field and conduct themselves as they have done in the past football season.

On Sunday, Dec. 9, there will be an "All Day Singing and a Dinner on the Ground" at the Bethel school house. The singing celebrates a 10 night singing school, taught by Prof. Warren. We especially invite all good singers to come and sing with us. Bring a well filled basket and let's enjoy the day together.

There have been several changes in the business firms in Hamlin lately, especially among the grocerymen. Only a few weeks ago we had the announcement that Reynolds Grocery was sold to W. J. Jackson and Bradley and the new firm name is W. J. Jackson and Co. — Groceries and Feed.

TWENTY YEARS AGO  
(December 4, 1953)

A two-plus rating was given to the Hamlin High School Band following participation in an invitational marching contest Saturday week at Stephenville. The band, under the direction of Walter P. Chalcraft, was one of about 30 bands entered in the competition for bands of Region II of Central West Texas. The local unit was entered in the competition for bands in the Class A section.

In a typical football setting that featured the green and white colors of Hamlin High School, members of the 1953 Pied Piper grid crews were honored Tuesday evening of last week in the annual football banquet. Members of the Pep Squad were hosts at the affair, staged in the cafetorium at the Primary School.

Jones County was allocated a cotton acreage for the 1954 crop season of 114,568 acres when the allotments for West Texas Counties were announced Saturday by the State Agricultural Stabilization and Conservation office at College Station.

Prizes are being posted again this season for the best decorations for Christmas by business house windows and homes. The windows will be judged Monday evening, Dec. 14 at 7 p.m. by a group of judges from Aspermont. First prize will be \$25 in cash, and second and third prizes will be \$15 and \$10 cash.

Two completions, one prospector nearing probable pay, one new location and a plugged hole constituted the oil developments in the Hamlin area the past few days.

TEN YEARS AGO  
(November 26, 1963)  
Rev. J. C. Amburn, pastor of the Assembly of God Church, will be the speaker for the Community Thanksgiving Service to be held Wednesday evening at 7:30 p.m. in the First Baptist Church. The service is sponsored by the Hamlin Ministerial Alliance. The combined choirs of the participating churches will be directed by S. L. Tate of the First Baptist Church.

Hamlin citizens joined the rest of the nation and the people of the world this weekend in mourning the tragic assassination of President John Fitzgerald Kennedy. Kennedy was shot Friday in Dallas while he was in a motorcade going through the streets of the city before he was to address a large crowd at a dinner luncheon.

And What Have You

Continued from page 1

spite of what you might believe after Watergate, the President of the United States does not control highway speed limits. Not even if he says it on tv.

"Not even if it's on a so-called federal highway — even an Interstate. The federal government pays 90 percent of the bill on those, but they're still owned by the states. Actually, there is no 'federal system'—it's a federal-aid system. "Governor Dolph Briscoe can't change the speed limit. The Legislature could if it was in session. But it isn't, and Governor Briscoe is inclined to let it stay that way.

"The Highway Department is empowered to change speed limits — but only for safety reasons. (This power is customarily exercised only locally to cover hazardous conditions. Conceivably the present condition could be called an emergency, although technically it probably isn't.)

"The Highway Department might shake a little over cost—about \$800,000 for changing 35,000 speed-limit signs—but that would not really be a big hangup.

"The Attorney General might be asked what he thinks. About trucks and buses, whose owners claim 50 miles an hour would be more expensive than 62 or 65, that is something to view with sorrow but probably not with alarm. It's understood that the Governor has a suggestion from the Department of Public Safety for a 60-miles-an-hour 'compromise.' One thing for sure, a lot more drivers would observe a 60-mile limit than a 50.

"On top of all else, granting that a lower speed limit would actually save a lot of petrol, is the fact that every gallon saved is a nickel lost to highways (that being the state tax on a gasoline gallon for road use.)

"In brief: Painful but desirable."

It takes a Good Eye...

TO THREAD A NEEDLE

Did you ever thread a needle?  
... Most everyone has, it takes a good eye, for the opening is small. Did you ever try to thread one while someone else held the needle?  
... This is almost impossible. All this brings us to the point that ... there are some things that we must do ourselves. We can not send someone else to church for us, we can not have someone else worship the Lord for us. These things are strictly on an individual basis.  
ATTEND CHURCH  
... YOU'LL BE GLAD THAT YOU DID.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Philosopher Ponders Fuel Shortage, Comes Up With Unsatisfactory Answers

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One considers the energy shortage again this week.

Editor:

If you think times are out of joint because we're running out of oil, gas, bailing wire, honesty and other things we're told we're going to have to do without, consider the standing of the fireplace. It has been completely reversed.

Once upon a time the fireplace was the average man's source of heat, the first thing a pioneer did was build a fireplace and chimney and build his house on to it, but last night while I was conserving electricity by turning off the T.V. set during the commercials I read that "if you have a

fireplace and you're rich, you order some firewood and stay warm while the rest of us shiver."

This is true. A friend of mine from the city said he was in a supermarket the other day and saw firewood on sale for three sticks for \$1.49.

This makes a man stop and think as winter is closing in on us and I have been reflecting on some of the ideas being advanced to conserve energy. One idea is to close service stations on week-ends. This will save gas sales on Saturday and Sunday all right but it sure will run sales up on Friday. It will also run up the sales of funnels and five-gallon gas cans.

Another idea is to ban all driving on Sunday. The trouble with this is that it'll also ban most patronage at cafes, drive-ins, motels, football games and

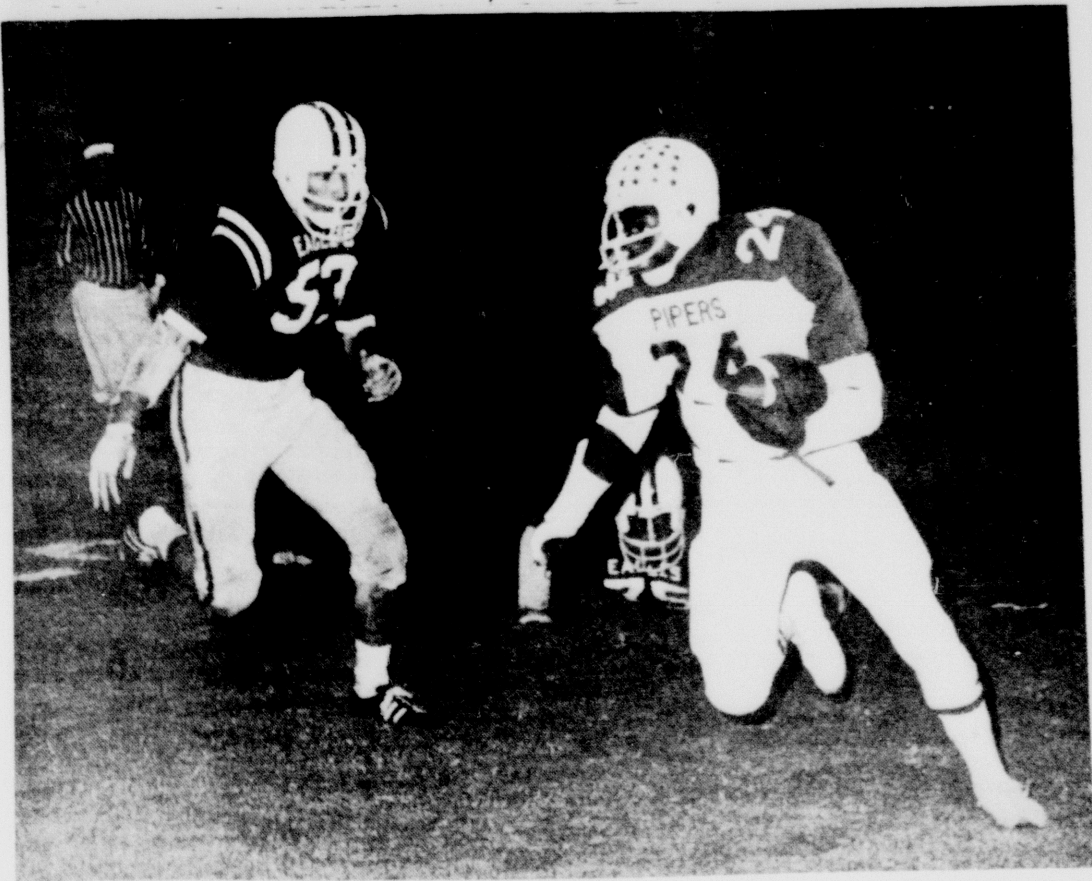

churches, and I'm not sure the public is ready for both of the last two. One, maybe, but which one I'm not sure.

I guess you notice nobody in Washington is brave enough to suggest people cut their television watching time in half. And I have waited in vain to hear somebody suggest banning tractor-driving three days a week, although I stand ready to make the sacrifice.

One expert said if everybody does his part in saving fuel and we have a mild winter, we might get by. You reckon this is right? I mean, I never have seen a winter yet that wasn't cold. Probably the only answer is for everybody to turn his furnace off and move to Florida.

Yours faithfully,  
J. A.

**TOP GROUND GAINER**—Johnny Jones (24) leaves one Roosevelt Eagle on the ground and is on his way to outrun another in Friday night's Bi-District Championship game in Abilene. Jones scored three of the Piper touchdowns as they dumped the Eagles 35-0. He carried the ball 18 times for 139 yards and had another 54-yard touchdown called back. (Photo by Tim Jones)

before another 15-yard penalty put them back on their own 41. Failing to make the first, McKissack punted to the Roosevelt 13.

With the help of a 28-yard pass play, the Eagles moved back into Hamlin's end of the field with a first down on the Hamlin 37. Three plays netted them six yards and a fourth down pass went incomplete.

Operating from their own 31, the Pipers used the running of Jones and McAfee to move the ball out to the Eagle 43. Jones again broke over his left tackle and raced the 43 yards to the goal line only to have the play called back and the Pipers assessed 15 yards for holding. Failing to overcome the penalty, the Pipers punted from the 34.

A 15-yard penalty against the Eagles put them back on their own 22. With time running out in the first half the Eagles marched the ball down the field on the Pipers with a first down at the 36 on a pass to Bobo, another first down at the 48 on a 12-yard run by Anderson. Danny Hix dropped the Eagle quarterback for a six-yard loss, but then Anderson ripped off 14 yards and Blackwell gained a first down on a 17-yard carry to the Hamlin 26. An Eagle pass went incomplete and an end around by Joseph Brown netted only one yard. Quarterback Chris Marshall picked up 16 yards to the Piper nine, but the Eagles failed to get off another play as the half ended.

Following the second half kickoff, the Pipers were a yard short of a first down and punted with Roosevelt taking over on their own 38. Bobo carried twice for eight yards, but then on third down Marshall was hit by Scifres as he tried to pitch back to Blackwell and McKissack recovered the loose ball on the Eagle 35.

Jones picked up seven yards, McAfee six and then Jones carried for 13 more to the nine. Jones outran the Eagle defenders to the sideline and turned up field for the score.

Again McKissack kicked the point after and the Pipers led 14-0 with 7:25 left in the third period.

Operating from their own 12 following the kickoff, the Eagles broke Blackwell loose for 20 yards to the 32, but then were held to five yards in three plays and punted.

Taking over on their own eight following a 56-yard punt by Bobo, the Pipers moved out to the 27 on three plays, but the next two plays cost them 12 yards and McKissack punted to the 43.

The Pipers drew a 15-yard penalty to set the Eagles up with a first down on the Hamlin 27. Blackwell picked up nine yards, then was stopped for no gain and then dropped for an eight-yard loss back to the 26. Tim Jones, at quarterback, dropped back to pass only to see his throw go into the waiting hands of Albert McAfee. McAfee outraced the Eagles the 68 yards to the goal line and McKissack kicked his third extra point of the night.

Following the kickoff, the Piper defense put pressure on the Eagles quarterback trying

to pitch and the Pipers recovered another fumble.

Operating from the Eagle 22, Jones carried for eight, and then picked up a first down at the 12. McAfee carried to the eight, Hooper sneaked for three to the five, Jones carried to the two, McAfee to the one and then Jones carried in for the score. McKissack kicked the point after with 10:18 left in the final period.

Roosevelt moved out to their own 47 following the kickoff before giving up the ball again on a fumble. McKissack's second recovery of the night.

Jones gained three and then McAfee carried for six and a 15-yard penalty against the Eagles put the ball on the 25. Jones was dropped for a two-yard loss. Hooper bootlegged for six to the 21. Hooper passed to Cork for a first down at the 10 and then hit him again for the touchdown. With 5:59 left in the game, McKissack added the final Piper point.

The Eagles picked up one first down following the kickoff but then were forced to punt and the Piper second unit ran out the clock.

## NEWS FROM ... Sylvester

By MRS. R. M. BARR

I do hope every one had a nice Thanksgiving. We did. We hope everyone arrived home safely.

Mrs. Haskell Stone, Mrs. Melvin Miller, Mrs. Nolan Lees, all of Haskell, and Mrs. Bill Britt of Ogden, Utah, visited in the R. M. Babb home during last week.

Our sympathy to the Ed Gibson family due to his death recently.

Sorry if you missed the news last week but some times things do happen that I just don't get every thing done that I should. By the way, does it ever happen to you?

Mrs. Henry White and her son Mark of Lubbock visited with her father, E. C. Smith one weekend recently.

Guests in the W. B. Brown home during the Holidays were the Gerry Prather family of Sweetwater and the Max Deel family of Levelland.

Visiting in the Woodrow Lawlis home over Thanksgiving were the Mike Dobbs family of Big Spring, the Harold Johnson family of Duncanville and the Jimmy Purvis family of Irving.

Mr. and Mrs. Gordon Webb of Austin visited several days with her sister, Mrs. Clara Mont-

gomery. Gloria Garcia spent the Holidays with her parents, Mr. and Mrs. Trinidad Garcia. She returned to McKinney by bus Sunday.

Mr. and Mrs. Phil Murphery of New Mexico spent several days visiting in the Fay Dozier home.

Gary, Kenneth and Ross Douglas went hunting and were very lucky, they each got a deer.

Mr. and Mrs. Guy Mauldin visited with the Alton Mauldin family over the Holiday in Houston.

In the J. P. Maberry home for the noon meal Sunday were Mr. and Mrs. Bill Holden and family of Odessa, Mr. and Mrs. J. C. Holden and family of Midland, Mrs. Richard Holden and girls, and Mrs. Gladys Holden, all of Hamlin, Mr. and Mrs. O. B. Boone of Stamford, Mrs. Alice Davis and son of San Angelo, Miss Vicki Holden daughter of Mr. and Mrs. W. B. Holden of Hamlin.

Mr. and Mrs. Spurlon Harris and son of Garland visited in the E. P. Harris home over the weekend.

Well it seems as if we might

THE HAMLIN HERALD, HAMLIN, TEXAS, 79520

just better put on another sweater and put a small block of wood under the foot feed to adjust that speed cause if you were around when we had gas rationing then you know "it ain't funny." Believe it might be easier to slow down, O.K.?

Just talked to the Gin office and they have ginned 1970 bales of cotton thus far, and there is a lot of cotton in the fields yet.

Mr. and Mrs. Milo Gray spent the Thanksgiving holidays visiting with their daughter and her family in Ft. Worth and enjoyed being in their new brick home they have just moved into.

Mrs. Edward Lawlis drove to San Angelo Saturday with her son Howard, spent the night with her daughter Margie, then all had turkey dinner Sunday at the Howard Lawlis home.

## Sharee Reece Found Guilty

Sharee Reece, 19, was found guilty of selling marijuana in 104th District Court Monday with Judge J. Neil Daniel presiding. She continues under \$2500 bond until sentence is given Dec. 6.

The conviction was based on sale to a state narcotics undercover agent who did extensive investigation here during the summer. Nine indictments were returned following the investigation.

Miss Reece was represented by Britt Thurman of Abilene.

## Cheerleaders Say Thanks
